

# Autodafe Mega Drum Machines plugin

MAC AU/VST or Windows VST 32/64 bits  
V 1.0

## Installation

MAC AU Version:

Unzip and copy the "Mega Drum Machines.component" into your "components" folder (usually under /Library/Audio/Plug-Ins/Components)

MAC VST Version:

Unzip and copy the "Mega Drum Machines.vst" into your "VST" folder (usually under /Library/Audio/Plug-Ins/VST)

Windows Version

Unzip and put the content into your VST folder. Optionally you can delete the version (32 or 64 bits you won't be using)
